

PROCUREMENT REF. NO: W/ONB/LTC-04/2017: CONSTRUCTION OF SERVICES – PHASE 03

Executive Summary

The Bid invitation called for experienced professional contractors with a good track record in the civil works. The aim of this project is to provide public toilets in the informal settlement, a bulk water line and booster pump as well as providing services to erf 2055.

Technical evaluation will include several checks to ensure that bids submitted meet minimum requirements required to guarantee successful completion of the project. The checks include bidders' ability to perform based on previous contracts, personnel as well as plant availed by the bidders for this contract as well as comprehensive and correct completion of the forms by the bidder.

A total of Seventeen (17) bidders acquired bid documents from the Town Council. A non-compulsory Bid Clarification Meeting was held at the Lüderitz Town Council Chambers on 8 December 2017. A total of Seven (7) bids were received at the close of bid. Two (2) bidders' have been considered to be technically compliant and have been considered in the financial evaluation.

Bids received with **uncorrected** and **corrected** amounts are:
